Venetian Blinds

The **Venetian Blind** is a timeless classic – neat slats, clean lines and ease of operation mean that this blind is completely at home in any room.

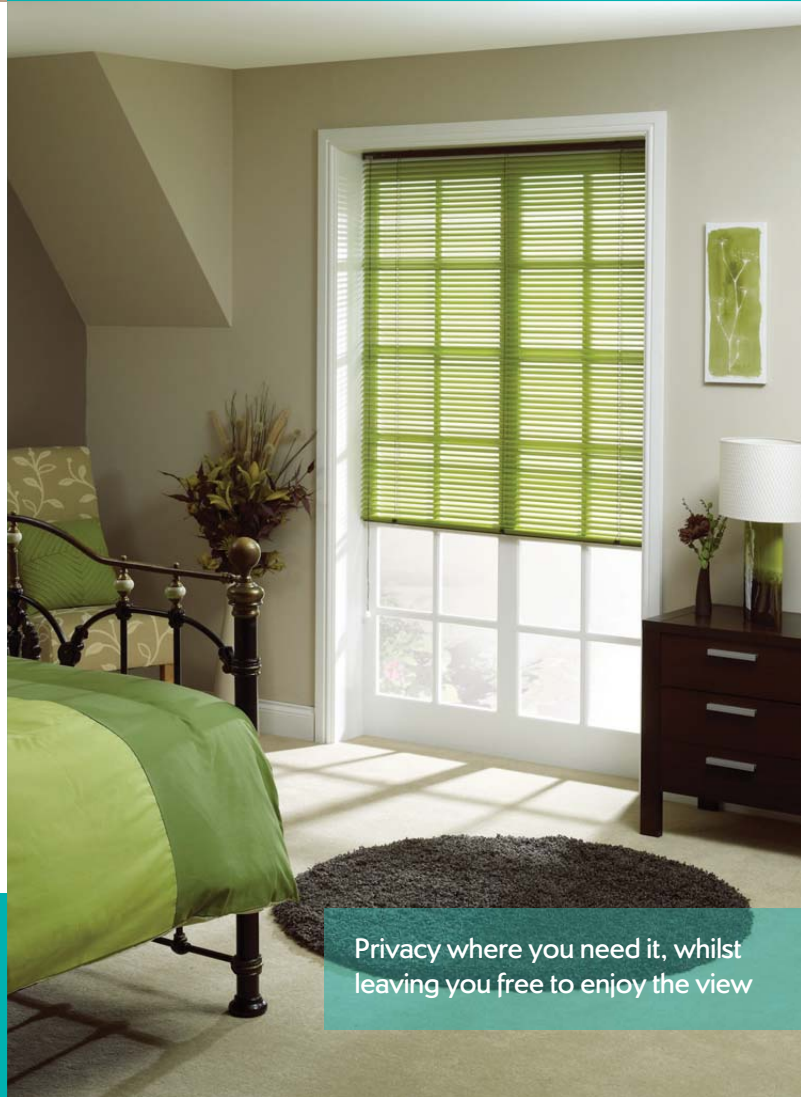

Our collection brings you a huge array of choice and style including traditional woods, contemporary painted finishes and even mirrored, textured and perforated slats to create a look that's as unique as you and your home.

Taking your room from day to night in one easy step

The perfect choice for modern living

Effortless Style

Every venetian blind is made to measure and we are experienced in dressing all types of windows to make the most of the light and space within a room. We offer a variety of slat widths and a choice of cords and toggles for the all important finishing touches. We provide a full measuring and fitting service, so you can be sure that the end effect will be just as you expect and our no-quibble guarantee gives you total peace of mind. Venetian blinds are a decorative as well as a highly functional choice for any living or work space.
